Voluntary contributions could ameliorate some of the cost.                  £1000-£2000. (4 and 5)</p> <p>TOTAL COST £3250                  Costs for Next Academic Year:                  Playground top up £150 (1 and 4)                  Activity Week £3000 (1,2,3 and 4)                  Launch of 'every child an active child' including booklet production £300 (1, 2, 3, 4 and 5)</p>		<p>Annual Ofsted report on use of sports premium focuses on following issues:</p> <ol style="list-style-type: none"> <li>1. <b>Participation</b></li> <li>2. <b>Participation in competition</b></li> <li>3. <b>Swimming target</b></li> <li>4, <b>Whole school population general health and wellbeing</b></li> <li>5, <b>Links to clubs</b></li> </ol> <p><b>This report is therefore subdivided into each of the above areas.</b></p>	
Subject	Main points	Areas for development	Action points for 2015/16 Action Plan
PE	<p><b>Successes (issue number)</b>                  32 students attended the 'Winter Ability Games.' The biggest ever number participating from our school. Swimming, Tennis, Rowing, Golf, Badminton, Archery, Swimming, Table Cricket and Boccia were all tried. <b>(1, 2 and 3)</b>                  Two after school clubs are currently running for seniors- ballet and Keep fit. We are one of the very few special schools in Devon that successfully run after school clubs. (The only one currently). 20 students attend the clubs. <b>(1 and 4)</b>  <b>Current school position on each issue</b>  <b>1.Participation</b>                  As highlighted above participation at school clubs continues to be challenging due to transport issues. Current numbers 20.</p>	<p><b>1.Participation</b>                  Currently the two clubs on offer are secondary only.                  Secondary playtime is not as interesting or as activity rich as it should be to enable students to access quality activities that enhance pe provision.                  Primary playtime could also be enhanced with an increase in activities                  Start lunch time clubs.</p>	<p><i>Training, equipment, staff coverage of playtimes.</i>    <i>Source more after school club opportunities</i></p>

Participation within school is, of course, complete in lessons. The following is an estimate based on survey outcome, discussion with teachers and timetables of each class.

## 2. Competition participation

Ensure pupils participate in all external competitive opportunities.

Arrange competition with local special schools at least termly.

Arrange for competitive opportunities within school

## 3. Swimming target

Ensure a collation of swimming distances and/or abilities of all pupils.

Introduce distance badges including float supported distance badges

## 4. Whole School population Health and Welfare

Target a group of pupils, increase their physical activity and monitor their outcomes

*Trial a lunch time club*

*Ensure Sue Eames and pe network supply menu of activities in good time. Talk to SMT/teachers about the priority of these activities*

*Work with Brian to introduce and monitor*

## 2. Participation in competition

32 students at winter ability games.  
No other this year

## 3. Swimming Target

There is no central record of progress towards pupils swimming 25m

## 4. Whole school population health and welfare (including emotional health)

Anecdotal evidence of increase in FE1 physical exercise leading to huge decrease in behavioural incidents.

## 5. Links to clubs

Number of pupils attending external clubs unknown

Clubs working at the school during 2014/15  
Football (Torquay United)-weekly football  
Rugby (Newton Abbot RFC)- Days input  
Judo(RoninDo Judokai)- Days input  
Karate(Torbay Kenpo)- Days input

## 5. Link to clubs

Correlate contact information for local clubs, look at existing databases and use pe network group. Collate sports clubs that our pupils attend all ready.

Invite local clubs to attend school and deliver activities initially during activity week.

*Collate list of target group with other teachers. Work with those teachers to monitor improvements in attention, behaviour or other outcomes.*

*Pe coordinator to collate list. Work with teachers/SLT to collect info re current pupils.*
