Feedback from last meeting :

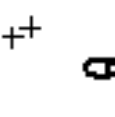

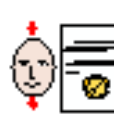

● Teachers have been asked to check ICT instructions are clear.

● Teachers and Dawn will check that instructions are next to all computers

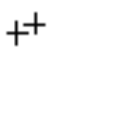

and laptops.

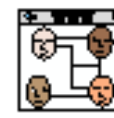

● Dawn asked Teachers to share ICT contracts with pupils

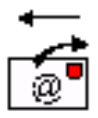

before every ICT lesson.

● New home and school contracts are being written to include

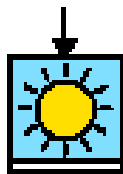

staying safe on mobile phones and using social media.

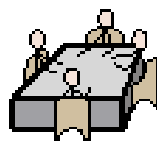

● Sam has emailed Rachel to ask that an E-safety role play element

is written into the Safe, Strong, and Free curriculum.
