jumper

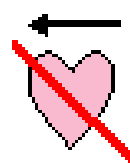

At school council today we talked about:

How lunch times have changed.

+

What we like and do not like.

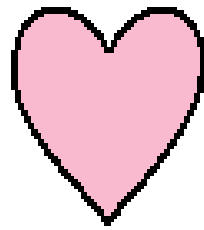

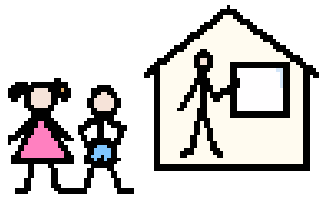

We sort our rubbish into different bins.

We sort our dirty cutlery, plates, bowls and cups

We have an activity table for when we have finished eating our lunch.

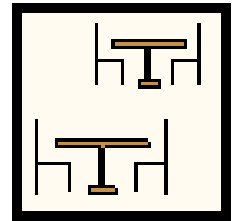

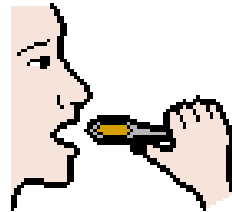

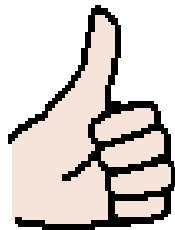

Primary

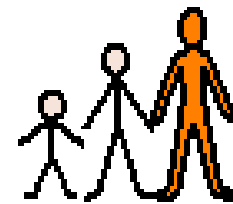

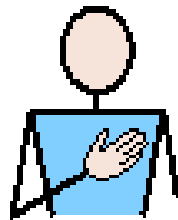

like:

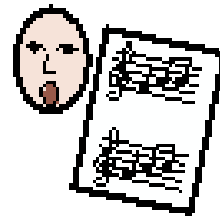

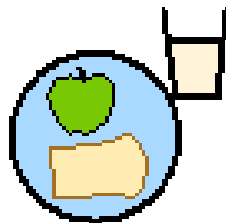

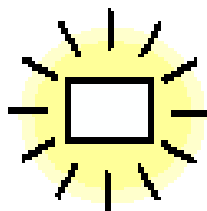

● the recycling bins

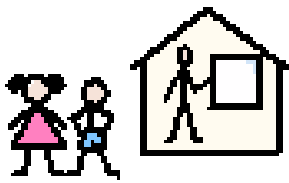

● It is good eating in the hall.

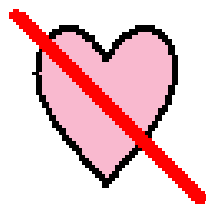

● makes me feel like a grown up

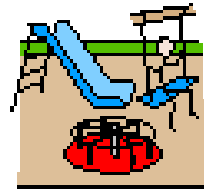

● new lunch time song

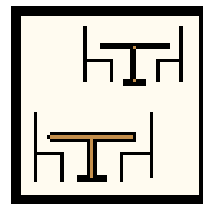

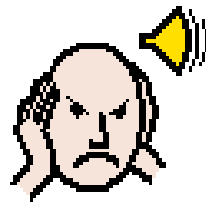

Primary

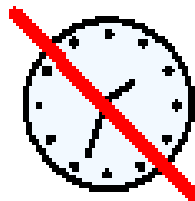

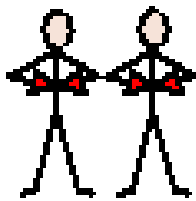

don't like:

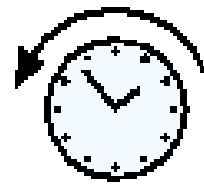

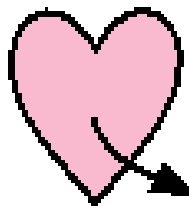

● We have less time in the playground.

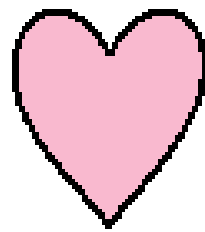

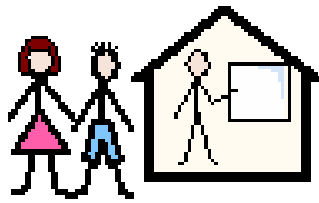

● it is noisy in the dinner hall.

● Some times We are rushed with our pudding.

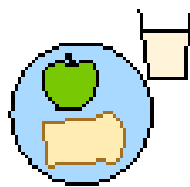

● We want to use the courtyard earlier.

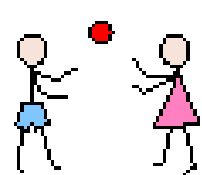

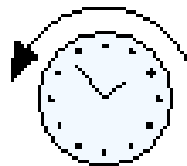

Secondary

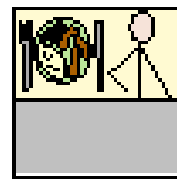

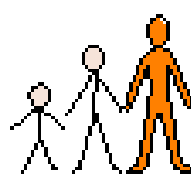

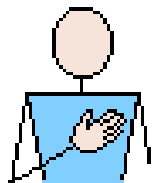

like:

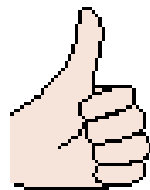

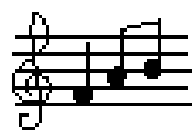

● lunch times are better now.

● shorter play is better.

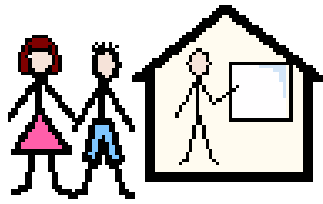

● feels more grown up, like a canteen.

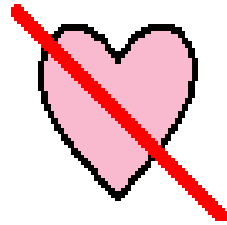

● music is good

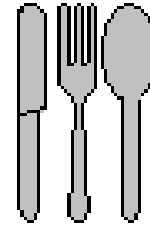

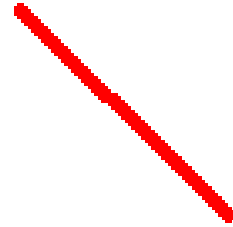

● symbols are helpful.

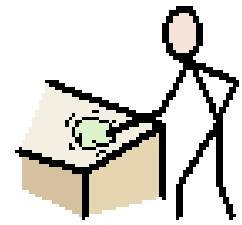

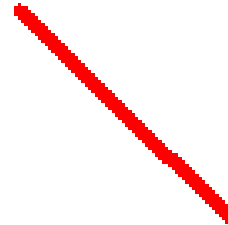

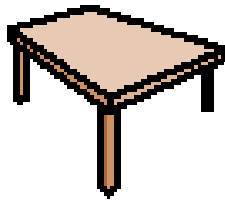

Secondary

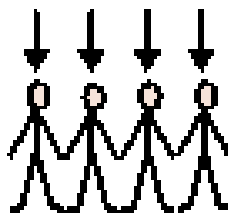

do not like:

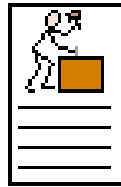

- sometimes there is not enough cutlery.

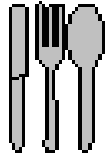

- sometimes the tables have not been cleaned.

- Everyone gets food at the same time.

Action Plan

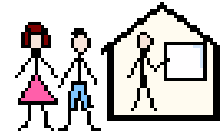

● cutlery

will be washed up

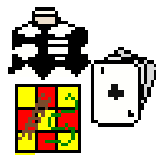

ready

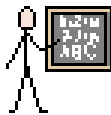

for secondary Pupils.

● more

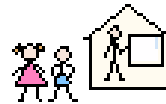

activities for the table.

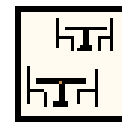

● Teachers will

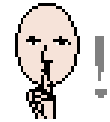

talk about how

Primary

hall time can be

quieter.
