Today was our first school council meeting.

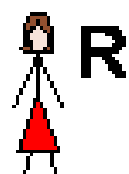

We introduced ourselves to the school council group.

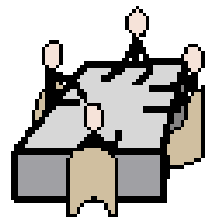

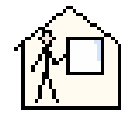

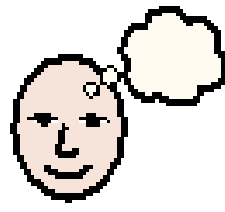

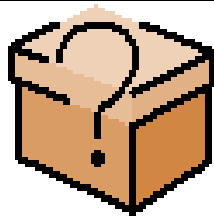

Sam and Ros help us at School Council.

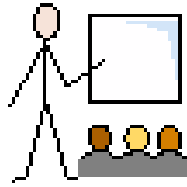

Sam is the Deputy head teacher.

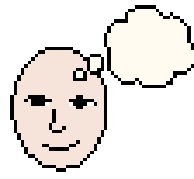

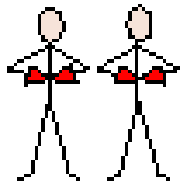

Ros helps us with our voice.

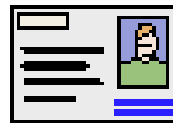

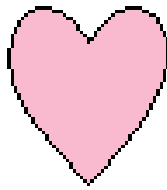

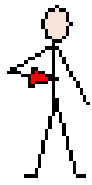

This is what we think about School Council:

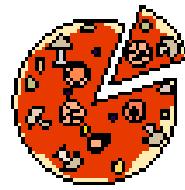

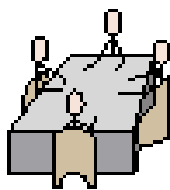

"My class voted for me".

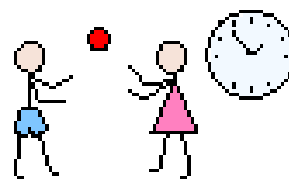

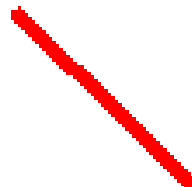

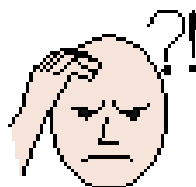

"We think about making changes"

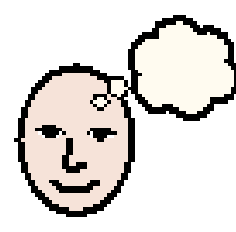

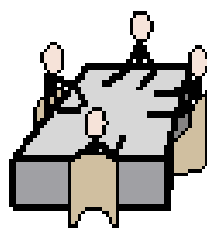

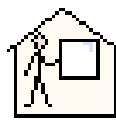

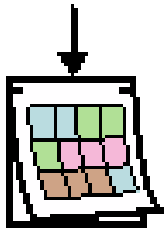

"I like my badge."

"We eat pizza"

"Its difficult to miss playtime"

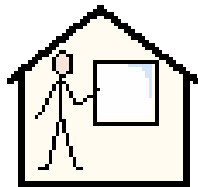

This year

we

will

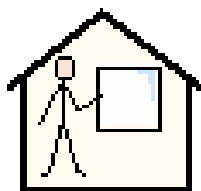

think about:

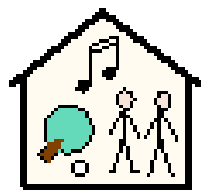

the school

menu.

school

clubs

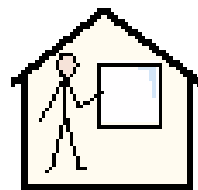

++

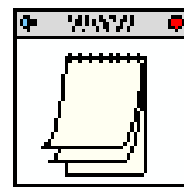

bullying

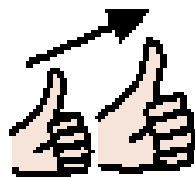

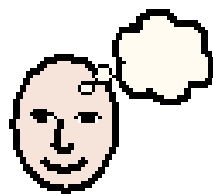

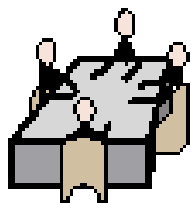

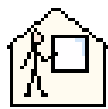

Making a video

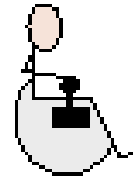

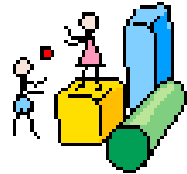

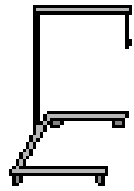

for the school

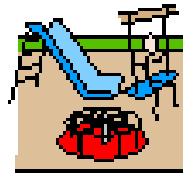

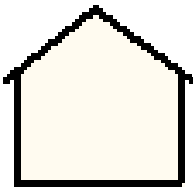

website .

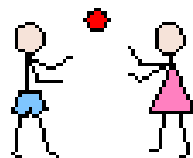

What we think could be better:

A hoist for softplay for children in wheelchairs.

A shelter over the play park

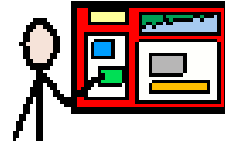

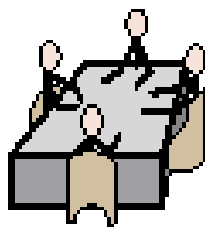

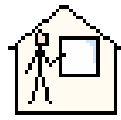

More to play with when it is raining.

The outside trail needs painting.

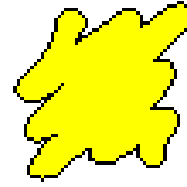

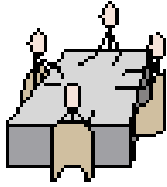

More outside microphones.

School council

display board.

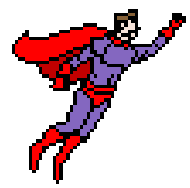

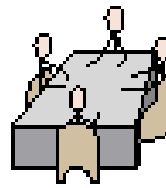

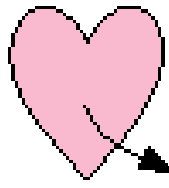

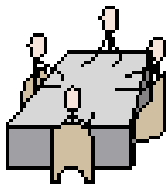

We

voted

for

yellow backing paper.

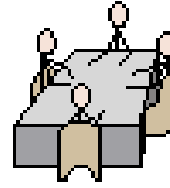

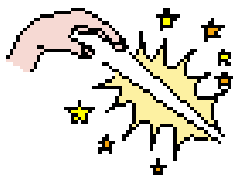

We

want

to be school council

superheroes.

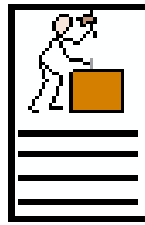

Our super powers

help

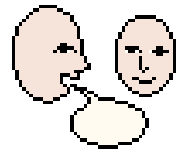

school council.

information

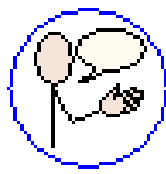

with school leaders and Governors.

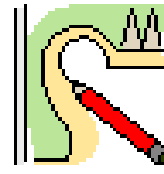

School council

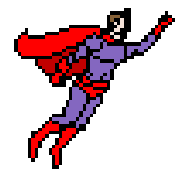

reps

will

design

a superhero.
